COSI Outreach Workshops bring COSI’s signature inquiry-based, hands-on learning right to your classroom, afterschool program, club, or library!

Each program session is $195 and includes:
- A one-hour interactive session for up to 30 learners led by an engaging COSI Educator
- All materials needed
- COSI-style extension activity write-ups to use before and after our visit
- All mileage and travel fees with no minimum session requirement*
- PLUS each learner receives one Buy One Get One Free general admission coupon

*Available in Ohio’s Franklin, Union, Delaware, Madison, Pickaway, Fairfield, and Licking Counties. Additional travel fees and/or session minimums may apply beyond.

To request a program, email OutreachWorkshops@cosi.org or use the online reservation request form available at www.cosi.org/CCSCP.
